

# Financial Responsibility Notice

As part of the Canton Local School District, students may be provided with a laptop computer. In addition, students may be provided with electronic textbooks and additional software (school supplies) for use while enrolled in the district.

This equipment and school supplies are the property of the Canton Local School District and assigned to you (your child) for use while enrolled in the District. By signing this agreement, you assume responsibility for the equipment and school supplies issued to you (your child) and agree to take due care in the handling and use of this equipment and school supplies.

You and your child are not to add, delete, alter, load unapproved software, or reconfigure this equipment and/or its contents in any manner. This equipment is your "school environment" and any changes to it may affect the equipment capabilities and the educational process.

All repairs to this equipment are to be provided directly by Canton Local. The computer comes with a warranty that covers normal wear and tear. In the event that your computer is lost or requires repairs outside the bounds of the warranty and/or your insurance policy (due to unapproved alterations, negligence or misuse, etc.), you will be held financially responsible and will be billed for necessary repairs. In the event that your child withdraws from the district, it is your responsibility to return the equipment to the district in good repair within 10 business days from the date of withdrawal.

\*\*\*\*\*

I understand my financial and due care obligation to Canton Local Schools and assume full responsibility of the computer system(s) and all necessary supplies issued to me (my child/children). I understand that I/my child(ren) may not alter, tamper with, add additional software, or reconfigure this equipment and that all repairs are to be performed by Canton Local. I understand that it will be my responsibility to transport the equipment to locations designated by the district for any maintenance or repairs, and I further agree that I will return all equipment and supplies upon termination from the program.
