Welcome Back Wildcats!

With the excitement and anticipation of meeting new teachers, catching up with old friends, developing new friendships, and making new memories, August 16 marks the beginning of a new school year and a fresh start filled with hope and possibilities.

The 2022-23 school year signifies a new chapter for the Canton Local School District. We open the doors to Canton South Middle School and welcome the inaugural sixth, seventh and eighth grade classes. At the dedication ceremony on Saturday, July 30, hundreds of students, staff, and community members filled the gymnasium and walked the halls of the new school. Superintendent Yeagley kicked off the ceremony by thanking former Superintendent Steve Milano for his vision and role in spearheading the project and the board of education members past and present who supported the district's dream of creating a campus-like setting for students in middle and high school.

Superintendent's Message

What an exciting time to be a Wildcat!

I am grateful to our staff, students and community for their overwhelming support as we opened our new middle school and transitioned our elementary school from Walker to Faircrest. The grand opening of Canton South Middle School was a fantastic opportunity to see many families, current and past employees, alumni and residents.

I am proud to be a part of the Canton Local School District. Our schools, buses, and fields are filled with dedicated and caring professionals committed to our students' success. Our staff makes it possible for us to offer many educational and extra-curricular opportunities to meet the needs of all students and help them grow and feel connected to our schools.

This year, our primary focus will be on three areas: school safety, continuous academic growth and improved communication with our families and community. You will read about many programs and initiatives surrounding these goals in this issue of Inside Canton Local, and we will highlight many more over the coming months.

Our mission is to help every Wildcat find the pathway to their "E" following graduation:

- **Enrolled** in a 4-year college, 2-year college, career technical school, or trade school
- **Employed** earning a living wage using a skill they have learned through the South Stark Career Academy
- **Enlisted** serving our nation in the armed forces

When I welcome our staff at convocation on August 15, we will outline our goals for the year and work together to find ways to demonstrate and live out our motto of Every Child, Every Minute, Every Day.

I am looking forward to a great school year, and cannot wait to see and celebrate all the great things that our Wildcats will accomplish this year.

Have a great start to the school year, and Go, Wildcats!!

Brett Yeagley

New to the District?

Online registration forms for students (K-12) new to Canton Local Schools can be found at cantonlocal.org. Parents may drop off required documents to the District Office located at Canton South High School 600 Faircrest St SE, Canton, OH 44707 inside door #2. Students do not need to attend. Appointments can be made by calling 330-484-8010.

Back to School Forms Due

Links and snapcode information for parents to complete their child's First Day online forms were mailed in July. Forms must be completed prior to the start of school.

More information can be found at cantonlocal.org. If you did not receive the email, or need help filling out the forms, please reach out to the district office at 330-484-8010 or email online.enrollment@cantonlocal.org.

Immunizations Required

Prior to the start of school, students entering seventh grade are required to have Tdap and Meningitis vaccines and students entering 12th grade are required to have an updated Meningitis vaccine. If your child has received the required vaccinations, and you have not submitted the vaccine record, please submit a copy of their updated immunization record to your child's building. If your child has not received the required vaccines, please call your physician or another provider to obtain the vaccines.

Holiday Assistance Available

Even though there is still plenty of summer left, it's not too soon to be thinking about the upcoming holidays. If you anticipate needing assistance with a Thanksgiving meal, Christmas gifts for the kids or food for Christmas day and break, please let Family Support know now by emailing ann-margaret.lambo@cantonlocal.org or calling 330-484-8000, Ext. 1129 or 330-844-2111 and leaving a message. **Ann Margaret** will be in touch sometime in late September.

Wildcat Preschool

The Canton Local Wildcat Preschool program serves typically developing children and children with special needs who live in the district.

Children who are four years of age by September 30, 2022 may be eligible for free programming based on state income guidelines. All three and four year old children with developmental delays are eligible.

Canton Local Preschool is rated 5 Stars by the Ohio Department of Education and the Ohio Department of Job and Family Services. This is the highest rating a preschool can receive. The Canton Local Preschool program includes free breakfast or lunch and transportation to and from preschool.

Class sizes for the 2022-23 school year are limited with most availability for the afternoon class of four year old children. We are also accepting applications for the 2023-24 school year. Call 330-484-8022 for more information on qualification and registration.

CLS Launches New Site, App

New Website

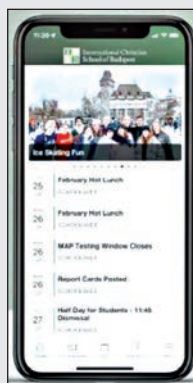

You may have noticed a new look and feel on the Canton Local Schools website. This month, the Canton Local School District launched a refreshed Finalsite website at cantonlocal.org. This website is built for easy access to important information and updates, whether on a computer or smartphone. The site offers easier navigation, a more modern design and better search features. The move is part of the goal to improve communications with families, staff and the greater community.

If you have any questions or feedback about our new website, please let us know at karen.vrabec@cantonlocal.org.

New Mobile App

We're thrilled to announce that Canton Local Schools is launching a new app! It's everything Wildcat, in your pocket.

The new mobile app will help students, parents and community members know what is happening at our schools, right from their phones. On the app, users can find documents, contact and event information and emergency notifications. The app will be available for free from the Apple App Store or Google Play by mid-August. Check our website at cantonlocal.org or facebook page @cantonlocalschool for details.

Canton Local to Partner with Legacy Project

The Legacy Project exists to build small group mentoring between positive adult role models, and middle school youth who are facing personal, academic, and social challenges.

The program takes place during the school day and strives to provide students with a fun, casual environment that promotes a lot of talking and laughing. The curriculum encourages smart decisions, responsible academic performance, and positive behavior modifications. Those interested in becoming a mentor, providing support, or learning more can contact info@LPStark.org.

Amazing Custodial Team Makes Amazing Transformation

The Canton Local School District has an amazing custodial team! The staff at Faircrest Elementary and Canton South Middle School had the additional task of moving and preparing buildings for their new grade levels. The team consisted of **Steve Perrenoud, Jeff Lab, Michele Bales, Rick Wessels, Lou Perrenoud, Rich Wanner** and **Aaron Abrigg**. This summer was an extraordinary undertaking of moving into a new building, maneuvering around construction crews, and helping the staff with many requests. Their patience, work ethic, and laughs were unmatched. We are all so grateful to have them on our team. Thank you for making our new school special to everyone who walks through the doors!

Marquee Shows Sweet Gratitude

Canton Local Schools extends its appreciation to Dairy Queen owner **Donna Ring**. In July, Ring sold her DQ franchise to Campbell-Oil based BellStores, marking the end of a 26-year career in food service. Many students held their first job at the Canton South DQ, and many more have memories of sharing good food with great friends at the popular hangout.

The District has benefited from the generosity of the Ring family through their contributions to many arts and athletic programs. The new Wildcat costume donated by the Rings will debut this fall.

NUTRITION SERVICES

*Fuel Up for Life***Ashley Morena, Nutrition Services Director**

During the past two years, the school nutrition department has operated under USDA waivers, providing all students nationwide with free meals. Unfortunately, those waivers have expired. The program will revert to previous operations and guidelines established before the pandemic. The Community Eligibility Provision (CEP) will go back into effect for Faircrest Memorial Elementary and Canton South Middle Schools, allowing the district to provide meals free of charge to students in grades PreK-8. Unfortunately, Canton South High School does not qualify for CEP.

We have seen tremendous success in our program and are happy to announce that we can provide FREE breakfast to all high schoolers through the universal free breakfast program.

What makes a meal?

Did you know that all students can take an entree, two fruits, two vegetables, and milk for lunch? See the picture below of just one of many school lunches.

**My School

Camp Invention Features STEM

Twenty-five students in kindergarten through fifth grade attended Camp Invention the last week of July at Canton South High School. The camp was taught by **Melissa Brooks**, **Nicole Thompson** and **Jennifer Williams** (director). The program is designed by the National Inventors Hall of Fame and features a STEM (science, technology, engineering and mathematics) curriculum that challenges kids to build creative inventions through collaborative, creative problem-solving activities.

Classes Prevent Summer Slide

Select students took advantage of our summer school learning programs. These programs utilize our excellent teachers working with children to help prevent the “summer slide” and close learning gaps. The program kicked off with middle school students on June 6 for a 4-week learning experience and elementary students on June 21 for a 6-week learning experience. We are excited to finish this summer strong and look forward to an excellent 2022-2023 school year!

Thank you to Summer School Coordinator **Jess Schering** and the middle school staff of **Amy Ball**, **Ryan Fricke**, **Erika Karovic**, **Michelle Pedone**, **Nicole Thompson**, **Chris Treen**, **Jen Williams**, **Ann Marie Trissel** and **Nellie Wey** and elementary staff of **Amanda Pyles**, **Marlo Ellsworth**, **Ashley Cordi**, **Carissa Deeds** and **Jennifer Hilton**.

Special appreciation to **Ashley Morena** and the food services crew who diligently provided breakfast and lunch options each day during summer school, as well as **Joyce Kirkpatrick** and her transportation crew for making learning accessible for so many.

Students Enjoy Safety World

Incoming kindergarten and first-grade students had a great time learning about all-things safety from district School Resource **Officer Ousley**, Canton Twp. Fire Department, Stark County Sheriff's Office, Stark County Prosecuting Attorney, Stark County Health Department, Goldfish Swim School and the Wheeling Lake Erie Railway. Thank you to the Canton South Rotary for sponsoring shirts and Smith's Waco Market for providing pizza. The week long event would not be possible without the help of our staff and student volunteers!

McKinney Sisters Improve Skills at Fine Arts Camp

This summer **Kaitlyn** (senior) and **Ashley** (7th grade) **McKinney** spent time improving their musical skills at Blue Lake Fine Arts Camp in Twin Lake, Michigan. Blue Lake is an organization dedicated to the enrichment and development of the fine arts. Students of all ages travel there from across the country and around the world to do what they love most.

Kaitlyn has been working with Blue Lake in some form since her freshman year, having auditioned for and been accepted into the International Orchestra two times. She studied Classical/Orchestral music and Jazz while there. She has also been in the Canton Youth Advanced Orchestra since 2017. Her career goal is to perform trombone with an orchestra or military band.

Ashley equally talented, having auditioned for Blue Lake and placed with the older high school group. Her audition earned her a spot in the Symphony Band. Her future goals include becoming a National Park Ranger and, in addition to classes in music at Blue Lake, she also took a Nature Studies course. She is also a member of the Canton Youth Symphony.

HALL OF DISTINCTION

Class of 2022

Canton Local Schools will honor a select group of individuals who have had a profound effect on the district and community by inducting them into the Canton South Alumni Hall of Distinction. The members of the class of 2022 will be celebrated at the Hall of Distinction Recognition dinner and ceremony at Canton South High School on Thursday, October 6, 2022. Tickets for the dinner are \$45. There is no cost to attend the ceremony. Email karen.vrabec@cantonlocal.or for ticket information.

Below is a summary of the many contributions and accomplishments of the Class of 2022.

Thomas Babik Canton South High School 1969 graduate. Babik attended Bowling Green State University, receiving a Bachelor of Science in Biology and Chemistry. He earned a Bachelor of Science in Medical Technology and completed graduate work at several universities. Babik served active duty in the US Air Force for two-years and eight years in the reserves.

After a successful career as a healthcare executive with several major medical groups, Babik retired in 2017 and is currently a healthcare consultant, providing services to physicians, group practices and healthcare systems. His commitment to giving back to his community is evident in the list of volunteer organizations he has served. In 2002, he was chosen by the citizens of Bowling Green to represent them as their Winter Olympics Torchbearer.

Lee J. Bowman Canton South Marching Band Director 1967 – 2001. Bowman earned a bachelor's degree in music from Bowling Green State University in 1966 and a Master of Science in education from the University of Dayton in 1985. A beloved teacher, Bowman distinguished himself by being a dedicated professional, developer of students and innovator. Under his leadership, Canton South's band became a source of pride for the school and community.

Bowman grew the band boosters into a strong organization that provided uniforms and equipment for students and financed numerous band trips. In addition, his bands were invited to perform at events such as the grand opening of Macy's in NYC, the Cherry Blossom Festival in Washington, DC and countless other community events and parades.

Clyde Brechbuhler Canton Township (South) High School 1939 graduate. Brechbuhler served during World War II in the Army Air Corps as a radio operator, navigator and gunner and attended cadet training while in the military. He was the retired owner/operator of Brechbuhler Scales Inc. and their subsidiaries, serving as chairman of the board until his passing on Friday,

January 23, 2015. Mr. Brechbuhler was a member of the Canton Local Board of Education from 1958-1965 during which time the long term vision for the district was established. Mr. Brechbuhler was a key contributor to the Canton Local school and community through his time, talents and resources. In 2002 through the generous donations of the Brechbuhler family, the CSHS stadium was renovated and the stadium was named in his honor. In 2017, Canton Local Schools named its new stadium in his honor, as well.

Dr. Martha Cook Canton South guidance counselor from 1962-1980, Dr. Martha J. Cook has been an educator for over fifty-five years. She earned her bachelor's degree and teaching license from the Ohio State University, master's degree and licensure in counseling from Kent State University, and a doctorate in education. She was named Teacher of the Year at Sandy Valley High

School in 1958. During her tenure at Canton South, Dr. Cook earned the Ohio Outstanding Counselor of the Year and Ohio School Counselor's Research Award. Dr. Cook's book, *Grammar Toward Professionalism*, has impacted leaders in industry and business across the nation to improve their speaking and writing skills. Dr. Cook is a professor-emeriti at Malone University, author and 20-year Senior Olympic champion.

Howard Jolliff Canton South High School 1956 graduate and CSHS principal from 1973-1993. Under the leadership of legendary coach Red Ash, Jolliff led the Wildcats to an unbeaten regular season in 1955-56 by scoring 21.5 points per game. An outstanding scorer and rebounder for the Ohio University Bobcats, he played two years of varsity basketball at Ohio University.

After his junior year, Jolliff was drafted by the Los Angeles Lakers and became the first Bobcat to play in the National Basketball Association. He coached basketball and golf for two years at Ravenna and Jackson high schools. His Ravenna golf team won the 1966 state championship. Mr. Jolliff returned to Canton South High School to serve as principal and positively impacted students, staff and the community for 25 years. In 2013, he was inducted into the Ohio Basketball Hall of Fame.

Melvin Lenzy Canton South High School 1991 graduate. Lenzy played numerous sports at Canton South, including basketball, baseball and track. He earned his bachelor's degree from Purdue University and a Masters in Sports Management from Xavier (OH) in 1996. Lenzy's successful career as a marketing executive included positions with the Portland Trail Blazers, Portland Power

Women's Professional Basketball league, the University of Akron, EA Sports and the NFL. He joined NIKE in 2004, launching major footwear initiatives around the world and working with athletes such as Kobe Bryant, LeBron James, and Colin Kaepernick. Throughout his career, Mr. Lenzy has demonstrated a continued interest in the future of young Wildcats by donating shoes for entire Wildcat teams, providing items for fundraisers and serving as a speaker for our youth. He is currently the Senior Director, Head of Global Marketing Strategy for NBA2K.

PreK – 2nd Grade - August 11 – 4:00 – 6:00 pm

3rd – 5th Grade - August 15 – 4:00 – 6:00 pm

This is a great opportunity to see the new building, find your child's classroom, and drop-off all school supplies in the classrooms. This is also a great time to get your questions answered and meet a number of community vendors.

Faircrest Elementary Start Dates

For the 2022-23 school year, first through fifth grade students will start school on August 16, and our preschool students will begin on August 17. Students will come to school at the regular start time by riding the school bus or parent drop-off. At FMES, drop off starts at 7:50 am and school will begin at 8:20 am. Students will be dismissed at 3:00 pm.

Kindergarten students will start their school year on a different schedule. Each kindergarten student must be signed up for a screening and orientation date on either August 16, 17, 18. The adult that brings the student must stay for the duration of these activities. All kindergarten students will have their first full day of school on Friday, August 19. If you have not scheduled your kindergarten student's date/time please call the school office, 330-484-8020, to schedule a time.

The new Canton South Middle School, located at 4404 Cleveland Avenue, South, will serve approximately 450 students in grades 6-8 and shares the same site as the existing high school to create a middle/high school campus.

The floor plan reflects 21st Century Learning in which the layout of spaces supports flexibility of use and various learning experiences that will help students form the skills needed in the workforce. The exterior design borrows the overall theme, colors, and materials from Canton South High School to help create a campus identity, yet still looks like its own building and design. Eighth graders will occupy the first floor, and sixth and seventh graders will occupy the second floor at their respective ends of the building. The north portion of the building houses the administration offices, band and choir rooms, student dining, media center and gymnasium.

The District funded the project with savings from public utility tax revenue over the past several years, along with a partnership with the Ohio Facilities Construction Commission

Art room: New teacher Katelyn Freday shows community members the expansive art room and its ample workspace, sinks, retractable power cords and a kiln.

Band room: Music spaces include vocal and instrumental rooms with acoustical tiles, practice spaces and storage areas.

Student dining: The student dining will also serve as a commons area and large classroom space.

CSMS Numbers

67,950 Square Feet

6th, 7th, 8th Grade

450 Students (capacity)

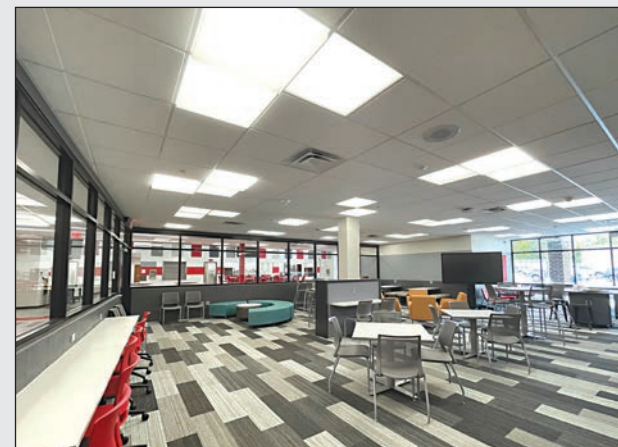

Clever: The building features state-of-the-art technology including Clever Touch Plus interactive display boards in each of the common areas for hand-on advanced teaching and learning experiences.

Collaborative space: Many of the school's classrooms have overhead garage doors, allowing for more collaborative space between classes in the hallways.

CSMS Gym: The ribbon cutting ceremony took place in the competition gym which features a full-size basketball court, locker rooms and seating for 468.

Media Center: The Media Center features flexible seating, collaboration areas, and expanses of glass for ample natural light.

Special education/ sensory room: The special education area features a sensory room and private accessible bathroom.
