It's almost here! The 2018 baseball season is just around the corner. Are you ready?!

The 2018 Sign-up form is the blue sheet. Registration information is on the front side and medical information is on the back side. On the form, please indicate the team you played with in 2017; if you are new to Canton Challenger Baseball, please check "New." **All players must have completed registration/medical form turned in prior to participating in any league event/play...no exceptions.**

Please return blue Registration Form no later than April 1 to Beth Wurgler, League Secretary, 3590 Dauphin Dr. NE, Canton, OH 44721. *Registrations not received by April 1 will not have uniforms for picture day which is scheduled for late April.*

We hope to add another team to our Senior league this year. Please help us spread the word.
Regular League: for ages 4 through 18, or 22 if still enrolled in high school
Senior League: for ages 16 and older

You see from the above there is a transition window. For example, if an athlete is 17 they may sign up for either league – it's their choice.

About the 2018 State Tournament...the Canton league leadership, team managers and parent representatives have voted collectively that we will NOT be attending the state tournament this summer due to lack of league funds. This will be a year to rebuild our finances and plan for the future of Canton Challenger Baseball. Instead, we plan to hold an improved Recognition/End of the Year event here in Canton. Look for more details soon, and let us know if you would like to be a part of the planning committee for this event.

HOPE TO SEE YOU SOON!
