Dear Students and Parents,

Welcome to the 2018-2019 school year! Our students did a great job during the 2017-18 school year with improved test scores across the board, pride in the care of our new building, and the concern for the well-being of their fellow classmates. I see nothing but continued advancements in the education and curriculum for your student. Please congratulate them on a wonderful year and emphasize the importance of continued growth in their education.

Please note the important information for our students and families:

4. Also on **August 21st** we will hold our **Underclassman Recognition Program** at 6:30p in the Performing Arts Center. Qualified students will receive an invitation in early August.

6. Incoming seniors need their **Meningitis Immunization** before the start of the school year. Please see the district website for further information.
7. Seniors please go online to register for your **Senior Interview** with your school counselor. This is a meeting held prior to the start of the school year to check credits, review important year information, and plan for post-high school options. Check the school website for the link to schedule a meeting with your counselor.
8. We will be utilizing the TEC Connect **All-Call System** again this school year for important information for you and your student. Please make sure to update both your phone and email information with us at the high school main office.
9. Parents as a reminder, students will be able to **enter the building** at 7:15a and **ALL** students must **vacate the building by** 3p during the school year, unless they are here for an official practice, club meeting, tutor session with a teacher, or any other official school function.
