CLASSROOM NEWS

REMINDERS:

If you still need to turn paper work in, please do so as soon as possible. **Medical forms are due Sept. 17th**. If you do not turn in a Medical or other missing documents you may be told that your child cannot return to PreK until those forms are in. This is due to a state law.

Don't forget to send in an extra change of clothes. Also, make sure your Preschooler wears tennis shoes to school. They are the most safe and comfortable option for Preschool.

If you have not done so, please sign up with Remind for easy communication with me. It allows you and me to private message one another in addition to allowing me to send out group reminders.

Please check folders every night!

IMPORTANT DATES:

9/6 – NO SCHOOL - Labor Day

We will begin having Gym with Mr. Dan on Mondays. It is very important to have your child wear tennis shoes on Mondays. Mr. Dan has lots of fun activities planned that require being able to participate safely.

OUR LEARNING:

Each month we have BIG Ideas that help guide our planning and learning. This month's BIG Ideas are: Function of Objects, Roles, Rules and Comprehension

Objects: include tools, devices, materials, mediums, toys, body parts, modes of transportation & structures.

Roles: include the expected, assigned or assumed behaviors, characteristics, or responsibilities of the child or other individuals

Rules: Expectations and regulations of behavior or language at home, school and in the community

Comprehending: is when a child remembers, recalls from memory, understands information AND uses/acts upon the information. Children use or act upon information recalled, verbally and non-verbally.

We will exploring these concepts through themes such as Ice Cream and the Farm. We also have started our Literacy Curriculum: Heggerty. Each day we practice different skills such as rhyming, beginning sounds and letters.
